Engineered strong and built to last

Anthony's Kodiak doors are the most durable and reliable beer cave doors you can have. If your business requires pass-thru doors that can withstand heavy traffic, the harshest of environments and daily abuse, the situation demands you install Kodiak Super Duty.

Kodiak's strong life construction and efficient energy insulation ensure long life and cost-effective operations for one of your most highly trafficked areas in the store. Kodiak doors are available in a variety of configurations to fit a wide range of installations.

- Long life construction designed for harsh environments
- Excellent insulation for energy savings
- Attractive design to enhance store interiors
- Cost-efficient ownership and operation

Kodiak beer cave doors are tough, versatile and made to last!

Kodiak® | Super Duty Pass-Thru Doors

Kodiak's pass-thru cooler doors are easy to install and engineered for high traffic and long life. The robust, durable design can withstand years of use and tough handling by customers. From convenience stores to large retailers, Kodiak Doors are the superior choice for your store operations.
