

Model 101 Series

Our flagship door has proven durability for long-life and heavy traffic, and now comes standard with our new Air Shield Technology. Designed with Enhanced Insulation, has robust construction that ensures years of reliable performance, and is **DOE 2017 compliant**. Choice of decorator or flat door rail profiles. This model features tempered safety glass, Optimax 7 Standard Power LED light fixtures, and five 27" deep white or black epoxy-coated shelves per door with matching price tag molding, galvanized steel posts, and shelf brackets. Please note that 79" doors include seven shelves per door. The Anthony Energy Controller is a required add-on. All prices are subject to change without notice.
