

401 Series

INTERNATIONAL

COOLER AND FREEZER

Uncommon Value
at the Best Cost

Open the door to value and quality with Anthony's 401 Series doors. Designed as an entry-level door for applications requiring strong and robust doors while still providing the value, wide range of sizes and multiple options that customers have grown accustomed to with Anthony.

 Anthony®

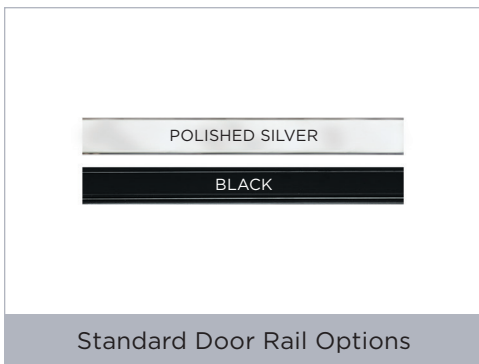

401 Series doors are the smart, economical choice for entry-level doors. You get high-quality design, construction, features and options normally found only in much more expensive door models. The 401 will bring you years of reliability and cost-effective performance.
